IMPACT REPORT

JAN. - MARCH
2024

GREETINGS

Dear Friends,

The first quarter of 2024 kicked off with tremendous energy and connection.

Most notable for this quarter is that our new shul is in full operation! We have a vibrant monthly minyan with beautiful attendance, and have already begun hosting individuals and small families at the Chabad house for Shabbos.

We are honored to be the one with which your investment of building a community is coming to fruition.

Please take a few moments to review this report and take pride in the impact you are having on this community.

Wishing you and your family a Kosher and Happy Pesach.

Rabbi Zalman Sandhaus

Hebrew School

This is Rose, whom I was fortunate to visit days before Purim to bring shalach manos and Purim joy.

Rose is close to 95 years old. She was born in Belgium, later moved to France, then escaped to Portugal and from there, to Cuba!

Rose was so excited to see me, and to have the opportunity to speak in her native Yiddish, which she speaks so eloquently.

She reminisced about the days of her childhood, going to Shul, and hearing the great cantor Yossele Rosenblatt sing.

We spoke about Jewish identity and the importance of passing on the tradition to the next generation.

Rose loved every moment we spent together. She often feels isolated living in Dutchess County, and visits like these are deeply meaningful.
