GREETINGS

Dear Friends,

In this quarter our community was extremely fortunate to celebrate the completion of our very own Torah and the inauguration of the Pardess Chabad Shul.

The event reminded me how important this community is and how many people's lives have been positively impacted by Pardess Chabad's presence here in Hopewell Junction.

It was truly heartwarming to see so many people and families come out to celebrate our community and our Jewish heritage.

The difference we make here is a true testament to the commitment of our partners and supporters who are the oil for the engine in making long lasting and meaningful impacts.

Thank you for playing a role in this vital work.

FEEDBACK

Hello Rabbi,

Its Karen, from Sherman....just wanted to stay in touch and wish you all well....

Thank you for the information you send me. It is the most Jewish education I have had since Hebrew school 55 years ago. The above website with all its information and history is amazing... there is so much to learn.

I just wanted to let you know your communications are fruit bearing....

Thank you again

Hi Rabbi,

I want to thank you first for inviting me to join the celebration of receiving the Torah and the opening of the new Shul. It was such a wonderful day.

My sister and I were so warmly welcomed by all. It was additionally very educational for me, as this was the first time I had ever experienced the inauguration of a Torah as well as the opening of the Shul.

Congratulations, and thank you again.

I have been enjoying your services, events, and community effects for some time now.

Thank you for providing this amazing Jewish connection for the community.
